HOW TO AVAL TEAM DISCOUNTS

Steps to register -
1. Open the page of the workshop that you want to register for (techfest.org -> Workshops -> Click on the Explore button of the Workshop)
2. Click on the Sign In button visible at the top right of the screen.
3. The email ID which was used to sign in will be your Registered email ID.
4. Click on the Register button.
5. Fill the form with all the details correctly and then click on the Submit button. You will be registered for the workshop of your choice.

Steps to complete the payment procedure and confirm your seat -
After registering for the workshop, click on the “PAY NOW” button. (Figure 4)
1. After this, you will be redirected to the payment portal. (Figure 5)
2. Select the relevant ticket as follows -
   a. If paying for a two-member registration, change the quantity of the “2 Member Registration” ticket from 0 to 1 (in the drop-down).
   b. If paying for a three-member registration, change the quantity of the “3 Member Registration” ticket from 0 to 1 (in the drop-down).
   c. If paying for a four-member registration, change the quantity of the “4 Member Registration” ticket from 0 to 1 (in the drop-down). (Figure 6)
   Note - The price shown is the already discounted amount for all the team registration tickets.
3. Now click on “Have Discount Code?” and enter the code “TFEARLY100” to avail the early bird offer. (Note - The code is valid only till 17th October 2021). (Figure 7)
4. Click the “Register Now” button to proceed to the Registration form.
5. Fill the registration form with the same credentials with which you had registered on the Techfest Website. Please enter the data correctly for us to process your payment information properly.
6. For multiple people registrations enter the details of other members accordingly.
